

The Events Structure Product Guide

Mobile Showrooms - Pursuit

This exceptional range of exhibition vehicles provide unique mobile pavilions which can provide an entertainment space for 150 guests or alternatively provide a temporary conference or training room. The incredibly low floor height at only 15cm, ensures the best possible access to guests and provides a vehicle with a feeling of exceptional accessibility. Pursuit is equipped with lighting, air conditioning/heating, an extensive bar with running water and large refrigerators. The VIP deck also gives your guests a beautiful view of the location. This state of the art design can be deployed within 30 minutes at your events sites providing excellent flexibility.
