

The Events Structure Product Guide

Roadshow Trucks - Discovery

This unique range of exhibition vehicles provides the dual benefit of unrivalled interior space and exceptional pace of deployment, delivering exceptional flexibility. These 13.6m state of the art vehicles deliver internal presentation/exhibition space totalling 50 m2, as well as 16 m2 roofed stage on one side. The vehicle can comfortably accommodate 45 guests for a presentation or product demonstration. On the stage side the trailer is enclosed by a glass wall with double automatic sliding doors. The trailers have their own power supply, a kitchen with running water, microwave and refrigerator and three zone air-conditioning system. The vehicle also has a full professional sound system with wireless microphones, DVD players and CD-player.
