Roadshow Trucks - Endeavour

Endeavour is a highly impressive exhibition unit, with the benefits of significant spacious internal environment and a spectacular upper deck that provides further exhibition and presentation space. This dual space environment enables you to communicate with a different audience or undertake two stages of communication in the same vehicle. Visually the double deck vehicle provides you incredible onsite presence and create a strong brand presence. This unique exhibition vehicle has an exceptional level of interior finish including full working kitchen, built in audio system and full air conditioning system. The two VIP decks give your guests a beautiful view of the location, where viewing is a priority.
