

The Events Structure Product Guide

Roadshow Trucks - Enterprise

Enterprise is an incredibly flexible promotion vehicle providing exceptional accessibility with a dynamic onsite physical presence. With multiple entrance and exit points this vehicle provides the perfect environment for both experiential and presentation briefs. The vehicle benefits from an excellent climate control system making the unit employable on the coldest and warmest locations environments. Enterprise is hydraulically extendable to a presentation area of 45m². The exhibition trailer is equipped with its generator power supply, kitchen with running water (600 litres), microwave, fridge and two air-conditioning units. The vehicle also has a full professional sound system with wireless microphones, DVD players and CD-player.
